

NOMAD EXPERIENCE

OCTOBER 4-6TH IN BIARRITZ WITH JULIE STAMENIC AND FELIPE SILVA

It is not a workshop, it is not a vacation, it is not a class, it is something Biarritz has never offered before. It is an experience, an immersion in the surf-culture, in the city and in the water.

Let's get wet!

SCHEDULE*

Friday 4th October:

We will all meet at 2pm to check-in
Lifestyle & sunset session
Dinner / free time / rest

Saturday 5th October:

Morning coffee and snacks + photo session (in the water)
Brunch around 10.30am
Lifestyle session and nap
Sunset session (in the water)
Dinner / Lightroom / rest

Sunday 6th October:

Morning coffee and snacks + photo session (in the water)
Brunch around 10.30am
Lightroom & Outro

* this is a draft schedule which will mainly depend on weather conditions and physical conditions of the group. The water sessions might be moved around as we will highly depend on the sea conditions.

INCLUDED

Landscape and water photography tuition and advice during the whole experience
2 nights accommodation in AirBnb (double room occupation) unless single occupancy is requested (extra-fee of 100EUR)
Pick-up and drop-off from the airport
Wetsuits for water sessions
Lightroom sessions
Meals (brunch and dinner)

EXCLUDED

Personal travel and equipment insurance
Optional single room occupancy (supplement of 100EUR)
Travel to and from Biarritz

WHERE YOU WILL STAY

Our base will be close to Milady Beach (30mins walk to city-center of Biarritz).
The house offers 5 bedrooms and a nice outdoor space for you to relax during your stay.

PAYMENT

Choose to pay in full or by deposit (we will then ask you to pay for the rest within a month)
Full price is EUR 640 and includes the 2 nights in double room, food as well as all the classes (5 sessions + 2 post-production)

If you want to stay in a single room, please note an additional fee of EUR 100 will apply.

Flights and transportation to and from Biarritz not included.

MISC.

- Once we receive your reservation, we will get in touch with you to ask a few questions (swimming level, do you own a wetsuit, food allergies, etc to accommodate in the best way)

- Water housing is not mandatory, owning a camera neither. You can also learn using your phone and we will do our best to lend you some equipment to photograph in the water. However, please note we won't have a camera to lend per participant and we highly encourage you bringing your own material to make sure you enjoy the experience as much as possible.
